CPR announcement made by Chris Taylor.

35. The Town voted to raise and appropriate the sum of $700.00 for the Beach Committee.

36. The Town voted to raise and appropriate the sum of $600.00 for Cemeteries.

37. The Town voted to raise and appropriate $1,500.00 for revaluation; hand vote.

Yes vote: 55 **No vote: 26**

38. The Town voted to raise and appropriate the sum of $258.00 for Family and Mental Health Services.

39. The Town voted to raise and appropriate $200.00 for the Community Park Committee.

40. The Town voted to raise and appropriate $165.00 for the expense of surveying a tract of land currently owned in part by the Harold Dickinson Est. George and Helena Blais, and Geraldine Brewer, located northeast of the 4 Corners and also voted to accept a conveyance of this pond area of approximately one acre with a twenty foot right-of-way around the pond area as a gift from the aforementioned owners.

41. The Town voted to designate the Town property - which includes the Shepherdson Lot, the area behind the Library, Fire Station and Civil Defense building - known as the Amidon Park Complex, as the Richmond Community Park with appropriate signs placed to indicate the areas donated in memory of Leon H. Amidon and F. Ralph Whitney.

42. The Town voted to raise and appropriate $1,200.00 to increase the Selectmen's salaries from $600.00 to $1,000.00 a year.

43. The Town voted to go on record in support of immediate actions by the Federal Government to control and reduce acid rain which is harmful to the health and welfare of the people of Richmond, N.H. and to the environment and economy of Richmond, N.H. These actions shall include:

1. Reduce by at least half the major cause of acid rain, Sulphur Dioxide Emissions, by the 1990.
2. Conclude negotiations and adopt a treaty with the government of Canada that will commit both nations to this goal.

The record of this vote on this article shall be transmitted to the New Hampshire Congressional Delegation and to the President of the United States.

44. The request for $100.00 for the Monadnock Arts Council was passed after a discussion and a hand count.

Yes vote: 38 **No vote: 27**

45. The vote to raise and appropriate $50.00 for the Monadnock Region Association was Yes 22, No 30. Request to reconsider by a hand vote, which moderator said would require a 2/3 vote because of procedural rule accepted at the beginning of the meeting. Yes 30, No 26; Article failed.

46. The Town voted to allow a 2% discount on all property taxes paid in full within 30 days of invoice.

47. The Town voted to authorize the Selectmen to borrow money for use of the Town in anticipation of taxes.

49. The Town voted to authorize the Selectmen to sell Tax Deeded property.

50. No reports from Agents or Committees.

51. Article 45 brought up at this time and Mr. Pearsall and Mr. Webber asked if the Town would accept $50.00 each from them to be given to the Monadnock Region Association. Vote YES with a warning from the moderator that the State may rule this motion substantive and therefore illegal. Mrs. Heise presented a check of $25.00 to be given to the Association.

Recommendation made that the Selectmen deposit funds in an interest bearing account; favorable.

Recommendation made that the Selectmen appoint a committee to oversee the assessment of the Yield Taxes.

Moderator wished to thank all the workers and the police for their support of the meeting.

Motion made to adjourn: Meeting closed at 11:10 P.M.

AUDITOR'S REPORT

Richmond, NH 03470
February, 1984

The Board of Selectmen
Town of Richmond
Richmond, NH 03470

Gentlemen:

I herewith submit the report on the audit and examination of Town of Richmond accounts and records for the fiscal year ended December 31, 1983. The enclosed financial statements are an integral part of this report and must be retained by the Town Clerk with other permanent Town records.

Scope of Audit

The accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk and Trustee of Trust Funds were carefully verified and checked.

Financial Statements

1. Comparative Balance Sheets show that assets exceed liabilities by the sum of $24,753.10 for the year ended December 31, 1983. There was a net deficit of $4,539.11 in 1982.

2. The Statement of Appropriations and Expenditures shows a net unexpended balance of appropriations amounting to $25,275.20. In 1982 there was $14,290.04 in unexpended balances.

3. The Statement of Estimated and Actual Revenues shows a net revenue surplus of $27,918.22; in 1982 the surplus amounted to $77.97.

4. The Budget Summary indicates a net Budget surplus of $53,193.42 for 1983.

5. Accounts of the Town Treasurer, Town Clerk, Tax Collector, Trustee of Trust Funds, Revenue Sharing and the Fire Department Equipment Fund have been summarized and tabulated.

6. The special Revenue Sharing Report which is required by the Department of Revenue Administration of the State of New Hampshire must be published in the Town Report.

Audit Procedures

The accounts and records of Town Officials charged with the receipt, disbursement and custody of public funds, as indicated by the scope of the audit, were inspected and verified to the best of my knowledge and ability. All Town books and accounts were examined carefully and, where necessary, tests of certain records were made as part of the audit.

Certification of Audit

I hereby certify that I have examined and audited the accounts and records of the Town of Richmond, New Hampshire, for the fiscal year ended December 31, 1983. In my opinion, the attached balance sheets and other statements of sources of revenue and expenditures truly represent the financial position of the Town of Richmond for this period.

Thanks

My thanks are gratefully extended to the Town Clerk and Town Treasurer for their helpful cooperation during the examination of their books and records. I sincerely appreciate their patience while the audit was in process.

Very truly yours,

Peter T. Whittemore
Town Auditor

TOWN OF RICHMOND
SELECTMEN'S REPORT

During 1983, the Board held its regular meeting every Tuesday evening except for one in December which was cancelled because of an ice storm. We also had two special informational sessions on the last Sundays in July and August, but no one came.

We have tried to keep abreast of new state rules and regulations which affect local governments. In Richmond, biennial billing of property taxes for the first time this year has made more work and caused some problems, but it has been very cost effective. In 1982, interest on tax anticipation notes was over $5,000; for 1983 we paid $534, and in 1984 the Town may not even need to borrow on short-term notes. Although the original cost of computerizing the tax bills was a little more than anticipated, now that the "bugs" have been worked out things should run smoothly and cost less.

Our Town funds were transferred in May, by the Treasurer from a NOW to a "Super NOW" account so that more interest would accrue on this money. This move has earned the Town $4,500 interest on its general fund for the year.

All of Richmond's property tax records are now listed according to their tax map number designations. As a result, it is easier for us to keep our records up-to-date. It should also be mentioned that these records are now on file at the Southwest Region Planning Commission which protects them from loss. A flat map file was obtained during the past year which makes the subdivision maps easily accessible for reference purposes. A large map showing the classification of the roads in Richmond has been posted in the Town Hall.

During the summer, your Selectmen cleared the area in front of the Town Hall and the Middletown Cemetery. The road was resurfaced and is being plowed this winter to make the vault accessible to Richmond residents, if needed. Our thanks to Kris, Kerri and Dana Taylor, Jr. for their many hours of hard work and help with this project.

The juncture of Mill Road with Fish Hatchery Road was completely rebuilt this year to eliminate a dangerous intersection. The new "STOP" sign and better visibility have made for much safer driving.

The hearse house in back of the Town Hall was repainted in August (?). The clapboards were so badly weathered that several coats of paint were needed.

The Veterans Hall in Richmond has been the focus of much attention in 1983. Early this summer we had planned to upgrade the electric wiring in the Veterans Hall as a part of the kitchen renovation. When we started this work, a bad sag in the roof on the south side was observed. Further investigation led to concern as to the safety of the Veterans Hall for public use. Upon the recommendation of several builders and contractors, Robert Dion of Marlborough was hired to make a preliminary study and then a thorough structural survey of the Veterans Hall. Mr. Dion suggested in his report that the Veterans Hall would be unsafe with a snow load on the roof. For the safety of the residents of Richmond, we decided it would be best to close the building to all meetings during the winter.

The Selectmen are in the process of obtaining bids for the restoration of the Veterans Hall. Reconstruction of the building would follow the plans and architectural drawings prepared for us by Robert Dion. The Town must decide if and how they want the Veterans Hall restored.

The Town of Richmond could not operate without the help of those residents who voluntarily serve on our boards and committees. We are most grateful for your assistance throughout the past year. Our need is for more individuals who are willing to do their bit for the Town Don't be shy! Contact a Selectman or a member of any Committee to offer your services.

It is with great regret that the Selectmen must accept the resignations of two dedicated Town officers. Jennie Bennett is resigning her position as Treasurer, and Robert VanBrocklin is resigning as Fire Chief in March. They have wholeheartedly served the Town of Richmond for many years and deserve the gratitude of us all. Our deepest appreciation to Jennie and Bob for jobs well done.

LIBRARIAN'S REPORT - 1983

Busy as ever this past year, the Richmond Public Library began its summer reading program on June 18th with a "Fantasy Film Program" and poster contest. The reading program, "Find Your Fantasy," had thirty children participating, and culminated on Richmond Fair Day with awards and certificates for those who completed the program.

Many films for children were shown throughout the year, including Island of the Blue Dolphins and Doc Savage, both courtesy of Camp Takodah. As usual, several book sales were held, along with other programs such as "Dungeons and Dragons Workshop" and "Mask-making".

As most of you know, I resigned my position as Town Librarian effective Jan. 1, 1984. I have accepted a permanent position at Keene State College Mason Library, and the Richmond Library is now in the very capable hands of Crescent Peirce.

I would like to thank all of you who made the job in Richmond so very enjoyable. I have had a chance to grow and mature professionally as Richmond Librarian, but most important are the friendships that have developed as a result of being Town Librarian.

Respectfully submitted,

Suzanne Whittemore

LIBRARY TRUSTEE'S REPORT

In the Spring, newly elected trustee, Peg Bartram, joined the board. Peg replaces retiring member, Margie Wyman. Other personnel changes include the resignations of Suzanne Whittemore, librarian, and Stewart James, trustee. Suzanne has accepted a full time position at the Keene State College library, and Stewart will be pursuing interests in a variety of fields. They will be missed and our fondest wishes go with them.

The trustees have hired Crescent (Graves) Peirce to replace Suzanne. Crescent has grown up in Richmond and attends Keene State College where she has worked in the library. Mr. James has been replaced by Mrs. Diane Holman, who has served in other town organizations.

The library went through a much needed washing of mildew this summer and three sides were expertly painted by Bob Pratt. We hope to finish the painting next year, if funds are available. In the meantime we will be making numerous other small repairs that need attention.

The budget that we are presenting this year has undergone some juggling in order to hold requests down in the face of anticipated large increases in telephone and electric rates. Again, measures taken toward energy efficiency have paid off in the use of less heating oil.

We were saddened this past June with the passing of Al Rummler, former trustee. Al was instrumental in forming the "Friends of the Library" and planning the addition. A building fund has been established in his memory.

We wish to acknowledge the many of you who have made donations to the library, the trust funds, and the archives. Your gifts are gratefully received and will be put to their best use. As usual, our thanks to the "Friends" for their many good deeds.

Respectfully submitted,
For the Board of Trustees

RICHMOND POLICE DEPARTMENT

1-603-239-6007

1983 ANNUAL REPORT

During the past year we have been busy with new regulations, new equipment and additional training. Our new radar unit works very well, and we believe that it has made a good contribution in reducing excessive speed through our Town, particularly the Four Corners area. The Officers who operate the Unit have been certified, as well as the Unit itself, which is certified every three months.

We are pleased to announce the promotion of officer Tim Brewer to the rank of sergeant. Tim has shown himself to be a strong link in our chain of peace officers, to better serve our department and community.

There has been no increase in any one crime in Richmond in 1983, in some cases there has been a reduction. Much of the reason for this can be attributed to citizen co-operation through awareness of suspicious activities and sharing with your Police Department the common goal of a peaceful community. To report any suspicious activity or emergency, you can call at any hour 239-6007, which is a Police phone located in my home reserved exclusively for Police business. Should there be no answer, you can call Mutual Aid in Keene, 352-1100, they will know the quickest method to get you help in any emergency.

The following summary of activities for 1983 list some of the basic events. There were many other activities too numerous to list, such as response to fire and rescue calls, lost items, assisting motorists, traffic duty , etc.

We will be working as hard as ever in 1984 for our Community, you can count on us, and we know we can count on you.

REPORT OF THE FIRE DEPARTMENT

During the past year we have been very fortunate in fire responses: 4 station covers, Swanzey; 3 station covers, Winchester; reports to several automobile accidents; 4 false alarms at a residence on Whipple Hill; 1 serious house fire caused by a faulty stove with a lot of cracks and wood piled too close.

During the past year we purchased new turnout gear--bunker coats, pants, and helmets and other equipment that we needed. In the summer we got the water holes repaired thanks to the help of firemen. We have two new dry hydrants, one on the Fish Hatchery Road and one at the top of the Mill Road.

There have been several members of the Fire Department and Rescue Squad that have taken training at Meadowood Schools last spring and fall.

I would like to thank Swanzey, Fitzwilliam, Winchester and Meadowood for their responses during the year. To report a fire, call 352-1100.

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

Once again, our cooperative town and state forest fire prevention and control program leads the nation in least acres burned per forest fire. Less than one-half acre per fire statewide average.

At the town level, your Forest Fire Warden is responsible for the prevention and control of all grass and woods fires when the ground is not snow covered.

Forest fire prevention is achieved at the town level by issuing a written permit for every fire that is to be kindled on the ground out of doors when the ground is not covered with snow. Each person wishing to have an outside fire must obtain this written permit from the town Fire Warden before kindling the fire. Any person that does not obtain a fire permit, when one is required, is violating our forest fire permit law and is subject to a court appearance and could be fined up to $1,000 and receive a jail sentence of up to one year.

No fire permit will be issued between 9:00 a.m. and 5:00 p.m. unless it is raining. The reason for this is twofold: the fire danger increases steadily between 9:00 a.m. and 2:00 p.m., then subsides to s safe level between 2:00 p.m. and 5:00 p.m. This happens because the sun dries out the fine fuels that are easily ignited and dries the air which permits rapid fire spread. Also during this part of the day fire fighters are not readily available in most communities so an escaped fire could burn longer and cause greater damage before being suppressed.

Your cooperation in burning only when conditions are safe is greatly appreciated.

As Smokey says, "Remember, Only You Can Prevent Forest Fires!"

Robert Burns, State Forest Ranger
Robert VanBrocklin, Town Forest
Fire Warden

CEMETERY COMMITTEE REPORT

Close cooperation between the Sexton and this committee led to a very smooth-running year.

We have completed the deeds for the Earl R. Howard Memorial Cemetery Extension and will have them to the printer soon. This is why we have requested $150 in addition to the regular budget.

CIVIL DEFENSE REPORT

Richmond Civil Defense had a relatively quiet year in 1983. Development and testing of Richmond's Emergency Response Plan continued as we participated in the Vermont Yankee test exercise mandated and evaluated by the Nuclear Regulatory Commission.

Richmond's participation in this exercise went very smoothly with the outstanding efforts of Richmond Fire and Rescue Squads. It is certainly a credit to the community that we have such professional and dedicated volunteers.

Barring a few notification system shortcomings on the plant, state and local levels, Richmond copes very well with its notification responsibilities. A request for additional notification and communication hardware has been made through our test response evaluation submitted to the Nuclear Regulatory Commission and the State. We are in hopes that this request will be met in the near future.

Additional activities of Civil Defense include working with Richmond police on a long overdue project of refurbishing the old Civil Defense building next to the Fire Station. Plans are under way to renovate the building to incorporate shared offices and meeting facilites for Civil Defense and Police. It will be a valuable and much-needed addition to the Town to have these facilities upgraded to accommodate expanding town and department needs.

The projected budget for 1984 reflects monies needed to start renovation of the building. Additionally, Richmond Civil Defense is investigating alternative funding sources through the State Civil Defense that may be available for our use.

Respectfully submitted,

Robert S. Coy
Civil Defense Director

PARK COMMITTEE REPORT

During 1983 the Richmond Park Committee kept the softball field mowed, completed work on the backstop, and saw good use made of the area on Community Day. We returned half our appropriation. At the same time we explored possibilities of making Sandy Pond a livelier fishing spot without detracting from its natural state in any way, did some work opening riding trails which can also serve hikers and cross-country skiers, and were in communication with Charles W. Cristy of the New Hampshire Office of Recreation Services on possibilities for outside aid. He furnished a great deal of interesting information.

We plan, in the coming year, to complete immediate work on the softball field by installing a culvert to restore the ramp into the Quaker Burying Ground which we had cut in order to drain the field. We look forward to a year of increased community service with Glenn Nicholas our incoming chairman also serving on the Recreation Committee. We are asking for but $390 this year. One thing we would like to have: vastly increased and vigorous input from the townspeople on what is needed and wanted in the way of outdoor recreation facilities and activities for our town.

Luke Faust, Chairman

BEACH COMMITTEE REPORT

In 1983 our budget was spent trying to make the town beach a safer and more relaxing place to spend a few spare minutes. Much work had to be done with heavy equipment to level and smooth the beach due to spring erosion. New barbecue grills were installed.

Trash containers are intended for beach users' convenience only. They have been misused as personal dumpsters, creating problems we hope to rectify by next summer.

I want, at this time, to thank all committee members for helping to keep things going ahead. A special thanks is offered to Fran and Jane Jillson who took charge and went out of their way to help get things done this past spring.

Respectfully submitted,

Hugh VanBrocklin
Chairman, Beach Committee

RECREATION COMMITTEE REPORT

Our year began with Red Cross swimming lessons at Camp Takodah, with approximately 54 children attending. Pre-school movement class, thanks to Sue Klatka, was available to 3-5 year olds at a slight charge (some activities were swimming, boating, exercising and crafts).

Camp Takodah working scholarships (reduced rates) have been made available to selected 8-15 year olds. Interested applicants can contact recreation committee members for details. Thanks to Camp Takodah's generosity we were able to use their Day Camp facilities for our Day Camp. Our director, Sandy Doubleday, and her staff of local counselors conducted a week of swimming, crafts and games, ending with a campfire and overnight, for 36-40 children.

Our Labor Day parade featured the West Swanzey Scarlet Marauders, antique cars, horses, decorated bikes, floats by local organizations, fire departments and various other talented participants. The children's Halloween party was again successful. The children enjoyed bobbing for apples, costume and pumpkin judging, a haunted house and refreshments. The adult Halloween dance, featuring a versatile band, was enjoyed by those who attended.

This year for the first time a hayride and dance were sponsored for our teens (7th-12th grades). We hope to make this an annual event. The children's Christmas party was held at Camp Takodah's friendship lodge. About 40 children enjoyed movies, caroling and a visit from Santa bearing candy and gifts.

We are grateful to Camp Takodah for coming to our aid, again, when we needed an alternative location for our Christmas party, traditionally held at the Veteran's Hall. All the members of the Recreation Committee would like to thank all of the organizations, local townspeople and non-residents for supporting us and making our year successful.

TOWN OF RICHMOND
REPORT OF THE PLANNING BOARD

The Planning Board over the past year has worked hard to obtain the necessary Zoning regulations to help the Town achieve a more orderly and controlled growth. Among the articles that were changed was the Lot Size requirement, increasing lot sizes from two (2) to three (3) acres.

Also in 1983 the recodification of the R.S.A.'s concerning Planning and Zoning was approved by the State Legislature and took effect Jan. 1, 1984. The Town of Richmond, within the next two (2) years, will be obligated to update its local ordinances to reflect these changes.

The Town of Richmond and the Planning Board are facing many problems that will have to be addressed in the not too distant future. Among these are the lack of participation and an unwillingness to be become involved in Town affairs. As an example, the Planning Board, which should be comprised of seven members, has been operating with only five members for the better part of a year. This absence of sharing in the responsibilities on which the Town is very dependent could have serious effects on the Town in the future concerning growth, development, State and Federal aid, and natural and financial resources.

CONSERVATION COMMISSION REPORT 1983

1. The Commission held its regular monthly meetings and additional work sessions.

2. The Mary P. Hunt Memorial Fund was established through a generous donation from Robert W. Hunt, which will provide funding for the maintenance and preservation of the Quaker Cemetery.

3. The Commission, through interest derived from the Quaker Cemetery Preservation Fund, hired Dan Perry of Richmond, to help with the grass mowing in the Quaker Cemetery.

4. Much to the Commission's disappointment, the wooden entrance sign, hand carved by the late Everett Quintard, identifying the location of the town forest, was stolen during a vandalism spree this fall.

5. The Commission sent invitation-to-bid letters to several logging contractors, advertising the selectively marked timber in the town forest. Six of the contractors responded and attended the timber showing, to which four companies submitted competitive bids. The timber harvest contract was awarded to the highest bidder, Richmond resident Carl Swanson, who is presently in the process fo the harvest operation. The income from this will be directly applied to the improvement of the forest for fire protection, forest products, recreation and wildlife habitat.

6. We would like to extend our thanks to all those who thoughtfully made contributions to our self supporting commission.

A statement of our various accounts follows.

SOUTHWEST REGION PLANNING COMMISSIONERS' REPORT

As a member of the Southwest Region Planning Commission, Richmond receives the benefit of a diversity of technical assistance and services from their staff. The Commission provides professional assistance to our Planning Board, Board of Selectmen and Zoning Board of Adjustment by responding to a multitude of questions and problems relating to the growth and development of our community. It has worked closely with the Town in the preparation of our master plan, updating of our zoning ordinance and subdivision regulations and has offered help in deciding matters brought before these boards.

Recently the Commission has diversified its services to member towns by establishing a cooperative purchasing program which brings many communities together as a single unit. In this way, the individual towns can realize considerable savings over what they would pay independently. Richmond has taken advantage of this program and is buying fuel oil at a reduced rate.

Another new service being offered by the Commission is its computer capability. Many towns, including Richmond, have computerized their resident and property tax billings and voter checklists through the use of the Commission's facility. This has already resulted in a noticeable savings in interest on tax anticipation notes for the Town of Richmond.

The Regional Planning Commission brought its member communities into conformity with the Solid Waste Legislation now required by forming the first Solid Waste Management Planning District in New Hampshire. By this action, those towns which have opted to join the District, Richmond among them, have now complied with the mandate of the State law requiring that towns look at the problem of solid waste disposal from a regional perspective.

OUR COVER

One of the best-known landmarks in Richmond is shown here as it looked around 1900. It was originally built at a cost of $2,485 as the Universalist meeting-house. The founder of Universalism, Reverend Hosea Ballou, preached the dedication sermon at this church on November 22, 1837. In 1890, it became the home of the Richmond Grange which flourished for many years. At the end of the first World War, Richmond's servicemen and women were honored at a ceremony held in this building. The Grange Hall was deeded to the Town of Richmond in 1956. In June of 1958, it was formally dedicated to all Richmond war veterans as the Veterans Memorial Hall. During our country's bicentennial celebration in 1976, the interior of the Veterans Hall was beautifully stenciled and refinished by a group of volunteers. Since it became Town property, the Veterans Hall has been used by Richmond residents for most public meeting and rented out for other affairs.
